Program Name: HVAC Technology - Certificate

This program is designed to be completed in 18 - 24 months.

This program will cost $9,000.00 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Of the students who completed this program within normal time, the typical graduate leaves with $1,958.00 of debt.

Completion of this Program with an Associate's Degree or Long Certificate qualifies a student to make application to sit for the HVAC/R Contractor licensure exam in Alabama under discretion of the Alabama Board of HVAC and Refrigeration.
